

## MOTUS FIX SP - ROTATING ARM

If you are wrapping large pallets that don't fit on a turntable or are difficult to move around, the **Motus Fix SP** is your perfect solution. This pallet wrapper has a rotating arm that circles around the pallet to secure the load. The SP also has the added key features of our **Superplus** pallet wrapping machine. Options include fully automatic operation, incorporating film hooking, heat-sealing, cutting and other automated technology.

5 and 10 year warranty available as well as leasing options.

- On-floor pallet wrapping solution.
- Rotating arm wrapper.
- Automatic programming.
- Inbuilt digital technology to calculate usage.
- Maximum wrapping height 2,000mm.

Specifications	
Height	2,537mm
Width	2,806mm
Length	3,214mm
Machine weight	488kg
Power supply	230 Volt
Power absorption	1kW

## Product Specifications

- Electronic printed circuit board for the management of the cycle.
- Frequency controller for arm speed adjustment (from 3 to 10rpm).
- Frequency controller for carriage speed adjustment (speed going up and speed going down can be set differently).
- Maximum wrapping height: 2,000mm.
- Maximum size of the pallet 1,200 x 1,200mm.
- Electromagnetic brake for film tension.
- Photocell for pallet height detection.
- Safety stop at the bottom of the arm.
- Stop at home position.
- Power board ip54.
- 4 digit display.
- 2 access levels (including lock mode).
- Adjustable parameters by the control panel: cycle selection, bottom turns, top turns, rotation speed, carriage speed going up, carriage speed going down, film tension.
- Reinforcing operation.
- 3 working cycles: ascent/descent; topsheet; only ascent.
- 6 programs can be saved.
- Acoustic warning at the cycle start and stop.
- Auto diagnostic.
- Powder coating.
- Braked arm at the end of the cycle.

## Extra Options:

- Status light.
- Photocell for dark loads.
- Film edge rollers to improve load containment force.
- Remote control.
- Sealing unit for automatic start and finish of wrapping cycle including tail treatment.
